About Teach For Uganda
We are an indigenous nonprofit organization that nurtures leaders who are committed to advancing equitable access to quality education for children in low-income communities in Uganda through a two-year teaching fellowship. We recruit, train and place graduates from varied academic backgrounds to serve as full-time teachers (fellows) in underserved primary schools to improve foundational literacy and numeracy skills for kids while developing their leadership skills. Our fellowship is also open to government teachers who are committed to transforming their classroom practice and professional development. Post fellowship, our alumni become lifelong advocates of quality education as community leaders, social entrepreneurs, and policy influencers collectively addressing the systemic challenges that hinder children from fulfilling their potential. We currently operate in 7 districts i.e., Mukono, Bugiri, Namayingo, Buikwe, Mayuge, Namutumba and Kayunga. Partnership engagements are underway for 3 additional districts to be brought on board by August 2023. Our goal is to develop over 1,700 leaders who will impact a quarter a million children by 2025.
