

JOIN TEACH FOR UGANDA FELLOWSHIP

Teach For Uganda (TFU) is a locally-rooted and globally-informed leadership development organization that is fully registered since 2016 as a non-profit organization in Uganda.

We leverage the power and knowledge of promising future leaders to ensure that one day, all children in Uganda attain an excellent education, enabling them to thrive in constantly changing economies. Through our 2-year Teaching as Leadership Fellowship, we recruit and train Uganda's top university graduates of any course and bring on government primary teachers in P.1-P.3 into the Fellowship.

They will both work as full-time teacher-leaders in high-need and under-served government schools to drastically improve the learning and life outcomes of children in low-income communities.
